

3rd Grade Book Box

This year your child will have their own book box that will hold Good Fit Books to read during independent reading time. We are asking that each student bring in a “decorated” book box to hold these books. *Magazine files work great for this (metal, plastic, or cardboard)

Your child is free to decorate the box however, he or she pleases, as long as it is school appropriate and **does not include glitter**. We do, however, ask that your child’s name is viewable from the front of the box.

In addition...

We are also asking that your child decorate the cover of one of his or her composition notebooks. This will be their writing journal, from which they will, among other things, draw upon their personal experiences to create unique pieces of writing. Items such as photos, stickers, and/or pictures & words from magazines that show your child’s personality & interests are suggested. Again, we asking that your child’s name is prominent on the front cover. *Please do not use glitter.*

Thank you for your help!!!
We look forward to a successful year!
